"Told As You See It."

Prof. W. HADENNER, the famous merman, of Ithaca, N. Y., writes: "Some two years ago I suffered much trouble from chronic catarrh. My family physician gave me up as incurable, and said I must die. My case was such that, that every day, towards sunset, my eyes would close, so my sight could not open above a whitish mist, a state of complete darkness, and closing eyes, I could not sleep. By the use of Dr. Sage's Cataract Remedy in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., 2002 Pine Street, St. Louis, Mo., writes: "I was a real sufferer from catarrh for three years. At times I could hardly swallow, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Lastly, I was unable to travel. Dr. Sage's Cataract Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."
